

## SCRIP UPDATE

Our SCRIP credit year is coming to a close on April 3rd. After that date, all orders placed for in-house or Great Lakes SCRIP vendors will begin the new tuition credit accumulation for the 2010-2011 school year.

Between April 6<sup>th</sup> - April 24<sup>th</sup>, only in-house cards will be available for sale, so you may want to stock up now. Regular Friday orders will resume April 24th through the end of the school year.

Family credit letters will go out in April showing how much tuition credit you earned this year, and your credit amount will be given to Sherry Rinaldi for bookkeeping before next fall. Please remember the \$20 minimum credit needed to be earned to be able to apply it to your family's tuition. Time is running out!
