

September 2008

Dear Parents:

Welcome back to school!! It's that time again to start collecting all Campbells UPC Labels !

Last year we collected over 6600 points! We redeemed points that had accumulated over the years to buy 8 DVD/VCR players for the classrooms. Our teachers and students thank you!

Help our students again this year to reaching our goal new of 10000 points! Each label counts towards FREE merchandise for our school!

It's easy to do:

- 1. Buy the products listed on the back (keep the list as a handy reminder).**
- 2. Cut out the UPC code (just like last year).**
- 3. Save the codes and turn them in during our annual contest in April to earn your child's classroom a special treat!**
- 4. Or you can turn in labels throughout the year by sending them in a bag to:
Valerie Anderson, c/o of Joe Anderson Rm #133.**

**Ask Grandparents & friends to collect them too!
Any questions call Valerie Anderson at 492-4838.**

THANK YOU FOR YOUR SUPPORT!
